WORDLAND

University Student Program

Wordland International (www.wordland.ro) is the only fully-independent language center in Romania. Our services are well-recommended and in high demand on the market. Celebrating our 7th year of activity in spring-07, we specialize in training general and specialized language courses for the business community. All our clients are economy leaders in their respective fields, and it is our attempt to satisfy their most eclectic needs, in the most pleasurable and efficient way. This is why all Wordland staff and all Wordland materials are in an ongoing process of improvement, by means of which we want to integrate best teaching practices and the most accurate and contemporary language in our everyday professional life.

About WORDLAND:
